Mr. Smith’s Daily Routine

Mr. Smith usually gets up at seven o'clock in the morning. Then, he goes to the bathroom to wash his face, brush his teeth and take a nice shower. After that, he gets dressed and eats his breakfast at a quarter to eight. He usually eats scrambled eggs on toast. What a lovely breakfast!

Next, he takes a bus and goes to work. When the crowded bus arrives at Mr. Smith's busy office, he scampered inside and starts to work at nine o'clock, according to his boss's order.

At one o'clock in the afternoon, Mr. Smith goes to the shop next to his office to eat lunch. After returning to his office, he starts to work again. After tons of meetings and loads of work, he finally leaves his office at five o'clock in the afternoon. He rides on the same bus to go home.

At a quarter to six, he sits on the huge and comfortable sofa to watch television. At half past seven in the evening, he enjoys his abundant dinner peacefully.

After dinner, he brushes his teeth and washes his face. At last, he goes to bed at half past nine because he is extremely tired. Mr. Smith is very busy every day but he enjoys his life very much!
